Merry Christmas
Merry Christmas to all our friends and clients old and new.
We have been lucky enough to keep going throughout the nasty weather and look forward to next season.
We had an interesting trip down to London, it took two days to get there with all the snow. Emil and Lucky finished a credable fourth in the 128cm Stakes.
Thanks once again to TOPSPEC feeds for once again supporting us massivly throughout the season.
Have a great Christmas! x
