Dafina K thrilled us with her performances having only arrived three days earlier, she show great promise for the future.

Dafina K

Dafina and Emily had a fantastic show at Ingleston Qualifying for the JA final. Jumping some huge courses (with the final round finishing between (1m 40 /1m 50) the pair were definately the youngest and most inexperienced at this level so we were very proud of them.

HORSES

Noble Kashmir, Dartans Borrack and Grand Conan have all been out show jumping preparing for their season ahead. These are three nice young horses that should have an exciting year ahead of them.

Meanwhile Caroline has a new project. After selling Noble Credit Crunch to Sam Cloy of Scotland, who we keep hearing great reports from, she has bought herself a lovely five year old Novice Hunter who should be ready to make an appearance in April - he's very special!

Pics to follow.
