

This last few weeks results have been fantastic however there has been little time to note them. Well done to everyone xx

Windsor Well dones!

Whilst we didn't compete at Windsor Horse Show ourselves of Noble Ponies kept the flag flying with great results.

Clemmie Proud and Gold Digga won the 143cm Open WHP and took the prestigious Championship. Well done Clemmie and her instructor Bron Evans who have worked so hard on this pony. He came from us last September after Emily had competed him in only a handful of shows.

Noble Star and Clare Curry had a fantastic win in the 153cm SHP, reports tell me he looked amazing. I was more than happy to tell the man who I purchased him off in Ireland as a four year old, he told me he bought him from a horse faye out in the country as a two year old after seeing him tied to a lamp post!!!!
