

Scottish Home Pony International

Last week we headed North to Rowallan where Emily had been chosen to represent England on both the 128cm and 138cm Teams, riding Rockingham Shadow and Emos Jessie respectively.

Team spirit was great and we must thank all of the sponsors for the great rugs, coats and hoodies. After an exciting competition Emily won team Gold in the 128cm on rocky and silver on the 138cm Jessie, Team Ireland took the Gold here. It was a great experience for Emily who held up under pressure when jumping off for Silver on Jessie. Rocky was a star jumping double clear to do his bit.
